**From today on - 9 september 2025 - I , Desiree Elisabeth Stokkel,
am Interim Prime Minister in all UN -memberstates.**

Swiss, please do my homework and inform all Governments on this 🌐

For the making of www.botanicaland.org; the UN replacer.

Other name is SAMSEM.

I expect SAMSEM to run into trouble in Datacentra.

Other name for BotanicaLand is SpacecourtplanetLand.

We can work with these names, coming years.

We pass the Senior Country-managements in Suicide-zone

under Murder by Satellite: D2D - P2P - Agent 2 Agent - Criminal 2 Civilian.

You are free to kill yourself; the Young Country Managers move on ,

into their Own Legal Frame... for Infinity.

This email will be published on Spacecourtplanet and NLkantonSwiss websites.
